

A vibrant, colorful illustration depicting a joyful celebration. In the center, a woman with a stoma is shown in a dynamic, dancing pose, wearing a pink top and blue pants. To her left, a woman with glasses and a pink jacket is also dancing. To her right, a woman in a blue nurse's uniform is jumping with her arms raised. Above them, a young girl in a purple top and green pants is falling or jumping happily. A grey koala is floating in the air to the left, and a brown bird is flying to the right. A kangaroo is jumping in the lower right. The background consists of stylized, curved bands of orange, yellow, green, and blue, suggesting a bright, sunny outdoor setting. Small red hearts and yellow stars are scattered throughout the scene, adding to the celebratory atmosphere.

# Celebrating ostomateship!

Stomal Therapy  
Week 2025

23-29th June 2025

Recognising the connection between  
ostomates and those who support them
